## DETAILED ACTION

### *Claim Objections*

1. The numbering of claims is not in accordance with 37 CFR 1.126 which requires the original numbering of the claims to be preserved throughout the prosecution. When claims are canceled, the remaining claims must not be renumbered. When new claims are presented, they must be numbered consecutively beginning with the number next following the highest numbered claims previously presented (whether entered or not).

Misnumbered **claims 20-30** have been renumbered as **19-29**.

**Reasons for Allowance**2. The following is an examiner's statement of reasons for allowance:

**Claims 1-7 and 16-21** have been indicated for allowance because the entire combination of a method for characterizing exposure levels in a platesetter including exposing regions of a plate at different exposure levels outside of a printing area and analyzing the plate after development to determine a desired exposure level for plates on the platesetter by reference to the regions receiving the different exposure levels.

**Claims 8-15** have been indicated for allowance because the entire combination of an exposure characterization system for a platesetter including a controller for controlling the exposure beam generator to expose regions of a plate at different exposure levels by controlling a power of the exposing beam in a region outside of a printing area.

**Claims 22-29** have been indicated for allowance because the entire combination of a plate exposure level control system a post development analyzer for analyzing the plates after development to determine a desired exposure level for plates on the platesetter by reference to the regions receiving the different exposure levels and feeding back changes in an exposure level for the printing area of plates in the platesetter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
